

Vail Board of REALTORS® Vail Multi-list Service, Inc. & VBR Foundation

Volunteer Committee Registration

The Vail Board of REALTORS® is always looking for new volunteers! Please take this opportunity to review where you might enjoy serving! Simply check off or prioritize the committees you might be interested in (e.g. 1-3, 1 being the most preferred committee) and return to the VBR offices via email, fax or drop it off (see second page for contact info).

In most cases, the respective Committee Chairs select the committee volunteers. On some committees, open seats are limited, and can only be joined when the leadership year turns over (Dec 1st – Nov. 30th). However, most committees can be joined at any point during the year!

Frequency of committee meetings range from 3 – 10 meetings per year, depending. Meetings can range from once meeting every other month (education, membership, etc), to a concentrated grouping of meetings leading up to a big project/event (golf tournament). Call or email staff for details on any specific committee you might be interested in.
